Is there anything not listed above that you would want us to capture that is extra special to you?:

NOTE

The backdrop of a photo is SO important. An ideal backdrop is uncluttered and muted in colors, this will provide the best color during your wedding. It is your responsibility to provide backdrop(s).

I acknowledge that I Checked
have read everything
above and provided all
the information I can to
ensure that the
photographer(s) /
videographer(s) are
able to have a clear
vision of our wedding
day.:
